The Keyes Company

11290 Legacy Ave, Suite 140

Palm Beach Gardens, Florida 33410

I just want to thank The Keyes Company for the excellent work of your realtor Eddie Tybuzynski in selling our mother's house (Christine L. Hess) in late August within 2 weeks of putting it on the market. Mr. Tybuzynski's service was exceptionally efficient, thorough, and professional; and just as important he was personally helpful and comforting to our family members as we were dealing with the recent passing of our dear mother.

Thanks again for having him on your staff,

Respectfully,

Thomas Mohlman

(son of Christine Hess)
